Communication Preview

Communication information

Form number:	000892	Notifier:	Test Member State
Name:	Information related to expenditure in certain sectors - part 2	Status:	PREVIEW
Business process:	Support programmes	Sector:	Horizontal
Reference period:	01/01/2023 to 15/10/2023	Encoding period:	... to ...
Legal base:	Commission Regulation - R 2022/1475 Art. 12(2)		
Description:			

Form B.1.1. - Fruit and vegetables

	■ Σ	Types of interventions & Objectives		All POs	All TPOs	All APOs	All TAPOs	All PGs
1	▶	**Investments**	**Planning and organisation of production**					
2	▶		**Concentration of supply and placing on the market**					
3	▶		**Improvement of competitiveness**					
4	▶		**Research and development**					
5	▶		**Agri-environmental-climate**					
6	▶		**Boosting commercial value and quality**					
7	▶		**Promotion and marketing**					
8	▶		**Increasing fruits and vegetables consumption**					
9	▶		**Improving employment conditions**					
10	▶	**Research, experimental and innovative production**	**Planning and organisation of production**					
11	▶		**Concentration of supply and placing on the market**					
12	▶		**Improvement of competitiveness**					
13	▶		**Research and development**					
14	▶		**Agri-environmental-climate**					
15	▶		**Boosting commercial value and quality**					
16	▶		**Promotion and marketing**					
17	▶		**Increasing consumption**					
18	▶		**Improving employment conditions**					
19	▶	**Other actions**	**Planning and organisation of production**					
20	▶		**Concentration of supply and placing on the market**					
21	▶		**Improvement of competitiveness**					
22	▶		**Research and development**					
23	▶		**Agri-environmental-climate**					
24	▶		**Boosting commercial value and quality**					
25	▶		**Promotion and marketing**					
26	▶		**Increasing consumption**					
27	▶		**Improving employment conditions**					
28	▶	**Advisory services and technical assistance**	**Planning and organisation of production**					
29	▶		**Concentration of supply and placing on the market**					
30	▶		**Improvement of competitiveness**					
31	▶		**Research and development**					
32	▶		**Agri-environmental-climate**					
33	▶		**Boosting commercial value and quality**					
34	▶		**Promotion and marketing**					
35	▶		**Increasing consumption**					
36	▶		**Improving employment conditions**					
37	▶	**Training, coaching and best practices exchange**	**Planning and organisation of production**					
38	▶		**Concentration of supply and placing on the market**					
39	▶		**Improvement of competitiveness**					
40	▶		**Research and development**					
41	▶		**Agri-environmental-climate**					
42	▶		**Boosting commercial value and quality**					
43	▶		**Promotion and marketing**					
44	▶		**Increasing consumption**					
45	▶		**Improving employment conditions**					
46	▶	**Organic production**	**Planning and organisation of production**					
47	▶		**Concentration of supply and placing on the market**					
48	▶		**Improvement of competitiveness**					
49	▶		**Agri-environmental-climate**					
50	▶		**Boosting commercial value and quality**					
51	▶		**Increasing consumption**					
52	▶	**Integrated production**	**Planning and organisation of production**					
53	▶		**Concentration of supply and placing on the market**					
54	▶		**Improvement of competitiveness**					
55	▶		**Agri-environmental-climate**					
56	▶		**Boosting commercial value and quality**					
57	▶		**Increasing consumption**					
58	▶	**Transport and storage**	**Planning and organisation of production**					
59	▶		**Concentration of supply and placing on the market**					
60	▶		**Improvement of competitiveness**					
61	▶		**Agri-environmental-climate**					
62	▶		**Boosting commercial value and quality**					
63	▶	**Promotion and communication activities**	**Planning and organisation of production**

7	▶	Total area (Ha) subject improved use and sound management of water	ha
8	▶	Total area (Ha) subject to improved soil conservation	ha
9	▶	Total area (Ha) subject to creation and maintenance of habitats favourable to biodiversity	ha
10	▶	Percentages for minimum water savings targets for investments	%
11	▶	Number of energy projects implemented	
12	▶	Percentage of reclaimed water	%
13	▶	Volume (Hl) of reclaimed water	hl
14	▶	Number of promotion, communication and marketing interventions linked to objectives referred to in Article 46(h) of Regulation (EU) 2021/21115	
15	▶	Number of promotion, communication and marketing interventions linked to objectives referred to in Article 46(i) of Regulation (EU) 2021/21115	

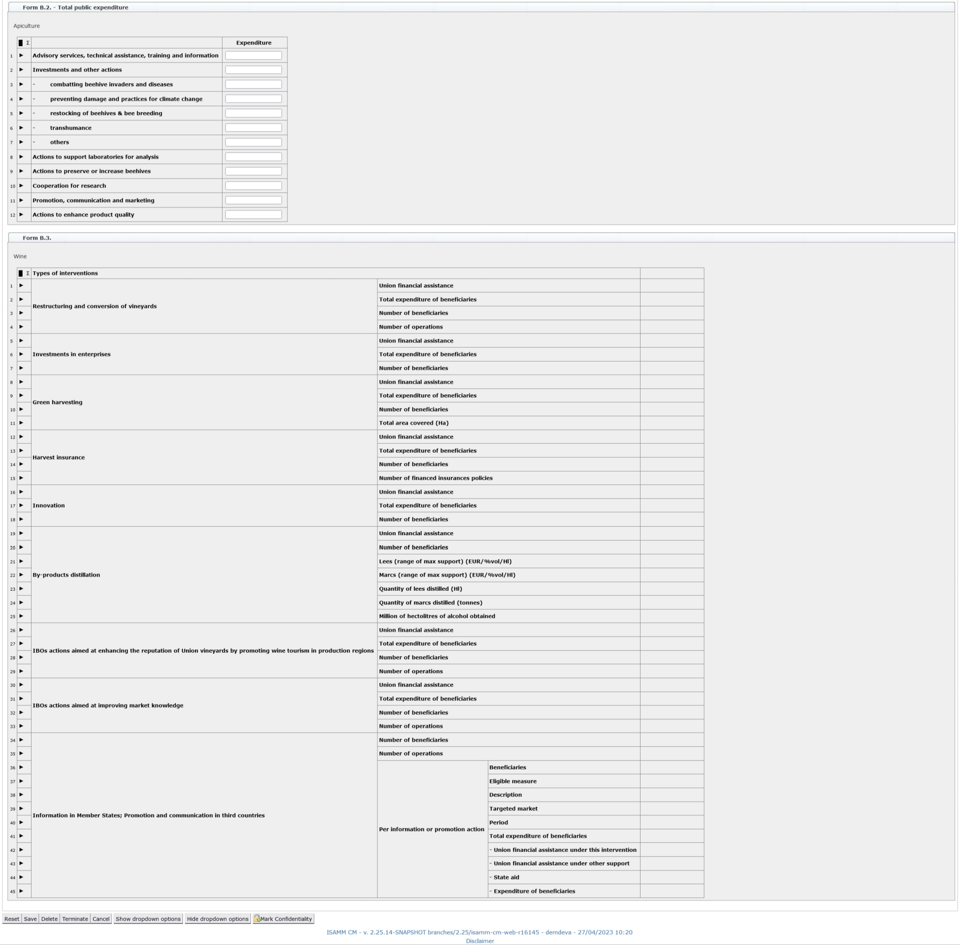
Form B.1.3. - Olive oil and table olives

	■		
1	▶	Total area (Ha) subject to investments in irrigation resulting in a net increase of the irrigated area	ha
2	▶	Total area (Ha) subject to replanting of orchards or olive groves	ha
3	▶	Total area (Ha) subject green-harvesting	ha
4	▶	Total area (Ha) subject to non-harvesting	ha
5	▶	Total area (Ha) subject to organic farming	ha
6	▶	Total area (Ha) subject to integrated production	ha
7	▶	Total area (Ha) subject improved use and sound management of water	ha
8	▶	Total area (Ha) subject to improved soil conservation	ha
9	▶	Total area (Ha) subject to creation and maintenance of habitats favourable to biodiversity	ha
10	▶	Percentages for minimum water savings targets for investments	%
11	▶	Number of energy projects implemented	
12	▶	Percentage of reclaimed water	%
13	▶	Volume (Hl) of reclaimed water	hl
14	▶	Number of promotion, communication and marketing interventions linked to objectives referred to in Article 46(h) of Regulation (EU) 2021/21115	
15	▶	Number of promotion, communication and marketing interventions linked to objectives referred to in Article 46(i) of Regulation (EU) 2021/21115	

Form B.1.3. - ‘Other’ products

	■		
1	▶	Total area (Ha) subject to investments in irrigation resulting in a net increase of the irrigated area	ha
2	▶	Total area (Ha) subject to replanting of orchards or olive groves	ha
3	▶	Total area (Ha) subject green-harvesting	ha
4	▶	Total area (Ha) subject to non-harvesting	ha
5	▶	Total area (Ha) subject to organic farming	ha
6	▶	Total area (Ha) subject to integrated production	ha
7	▶	Total area (Ha) subject improved use and sound management of water	ha
8	▶	Total area (Ha) subject to improved soil conservation	ha
9	▶	Total area (Ha) subject to creation and maintenance of habitats favourable to biodiversity	ha
10	▶	Percentages for minimum water savings targets for investments	%
11	▶	Number of energy projects implemented	
12	▶	Percentage of reclaimed water	%
13	▶	Volume (Hl) of reclaimed water	hl
14	▶	Number of promotion, communication and marketing interventions linked to objectives referred to in Article 46(h) of Regulation (EU) 2021/21115	
15	▶	Number of promotion, communication and marketing interventions linked to objectives referred to in Article 46(i) of Regulation (EU) 2021/21115	



Form B.2. - Total public expenditure

Apiculture

	█ Σ		Expenditure
1	▶	Advisory services, technical assistance, training and information	
2	▶	Investments and other actions	
3	▶	- combatting beehive invaders and diseases	
4	▶	- preventing damage and practices for climate change	
5	▶	- restocking of beehives & bee breeding	
6	▶	- transhumance	
7	▶	- others	
8	▶	Actions to support laboratories for analysis	
9	▶	Actions to preserve or increase beehives	
10	▶	Cooperation for research	
11	▶	Promotion, communication and marketing	
12	▶	Actions to enhance product quality	

Form B.3.

Wine

	█ Σ	Types of interventions			
1	▶	Restructuring and conversion of vineyards	Union financial assistance		
2	▶		Total expenditure of beneficiaries		
3	▶		Number of beneficiaries		
4	▶		Number of operations		
5	▶	Investments in enterprises	Union financial assistance		
6	▶		Total expenditure of beneficiaries		
7	▶		Number of beneficiaries		
8	▶	Green harvesting	Union financial assistance		
9	▶		Total expenditure of beneficiaries		
10	▶		Number of beneficiaries		
11	▶		Total area covered (Ha)		
12	▶	Harvest insurance	Union financial assistance		
13	▶		Total expenditure of beneficiaries		
14	▶		Number of beneficiaries		
15	▶		Number of financed insurances policies		
16	▶	Innovation	Union financial assistance		
17	▶		Total expenditure of beneficiaries		
18	▶		Number of beneficiaries		
19	▶	By-products distillation	Union financial assistance		
20	▶		Number of beneficiaries		
21	▶		Lees (range of max support) (EUR/%vol/Hl)		
22	▶		Marcs (range of max support) (EUR/%vol/Hl)		
23	▶		Quantity of lees distilled (Hl)		
24	▶		Quantity of marcs distilled (tonnes)		
25	▶		Million of hectolitres of alcohol obtained		
26	▶	IBOs actions aimed at enhancing the reputation of Union vineyards by promoting wine tourism in production regions	Union financial assistance		
27	▶		Total expenditure of beneficiaries		
28	▶		Number of beneficiaries		
29	▶		Number of operations		
30	▶	IBOs actions aimed at improving market knowledge	Union financial assistance		
31	▶		Total expenditure of beneficiaries		
32	▶		Number of beneficiaries		
33	▶		Number of operations		
34	▶	Information in Member States; Promotion and communication in third countries	Number of beneficiaries		
35	▶		Number of operations		
36	▶		Per information or promotion action	Beneficiaries	
37	▶			Eligible measure	
38	▶			Description	
39	▶			Targeted market	
40	▶			Period	
41	▶			Total expenditure of beneficiaries	
42	▶			- Union financial assistance under this intervention	
43	▶			- Union financial assistance under other support	
44	▶			- State aid	
45	▶			- Expenditure of beneficiaries
