Research and innovation and SDGs: Are we on track for 2030? What's next?

EU Agri Research Conference
31 May 2023

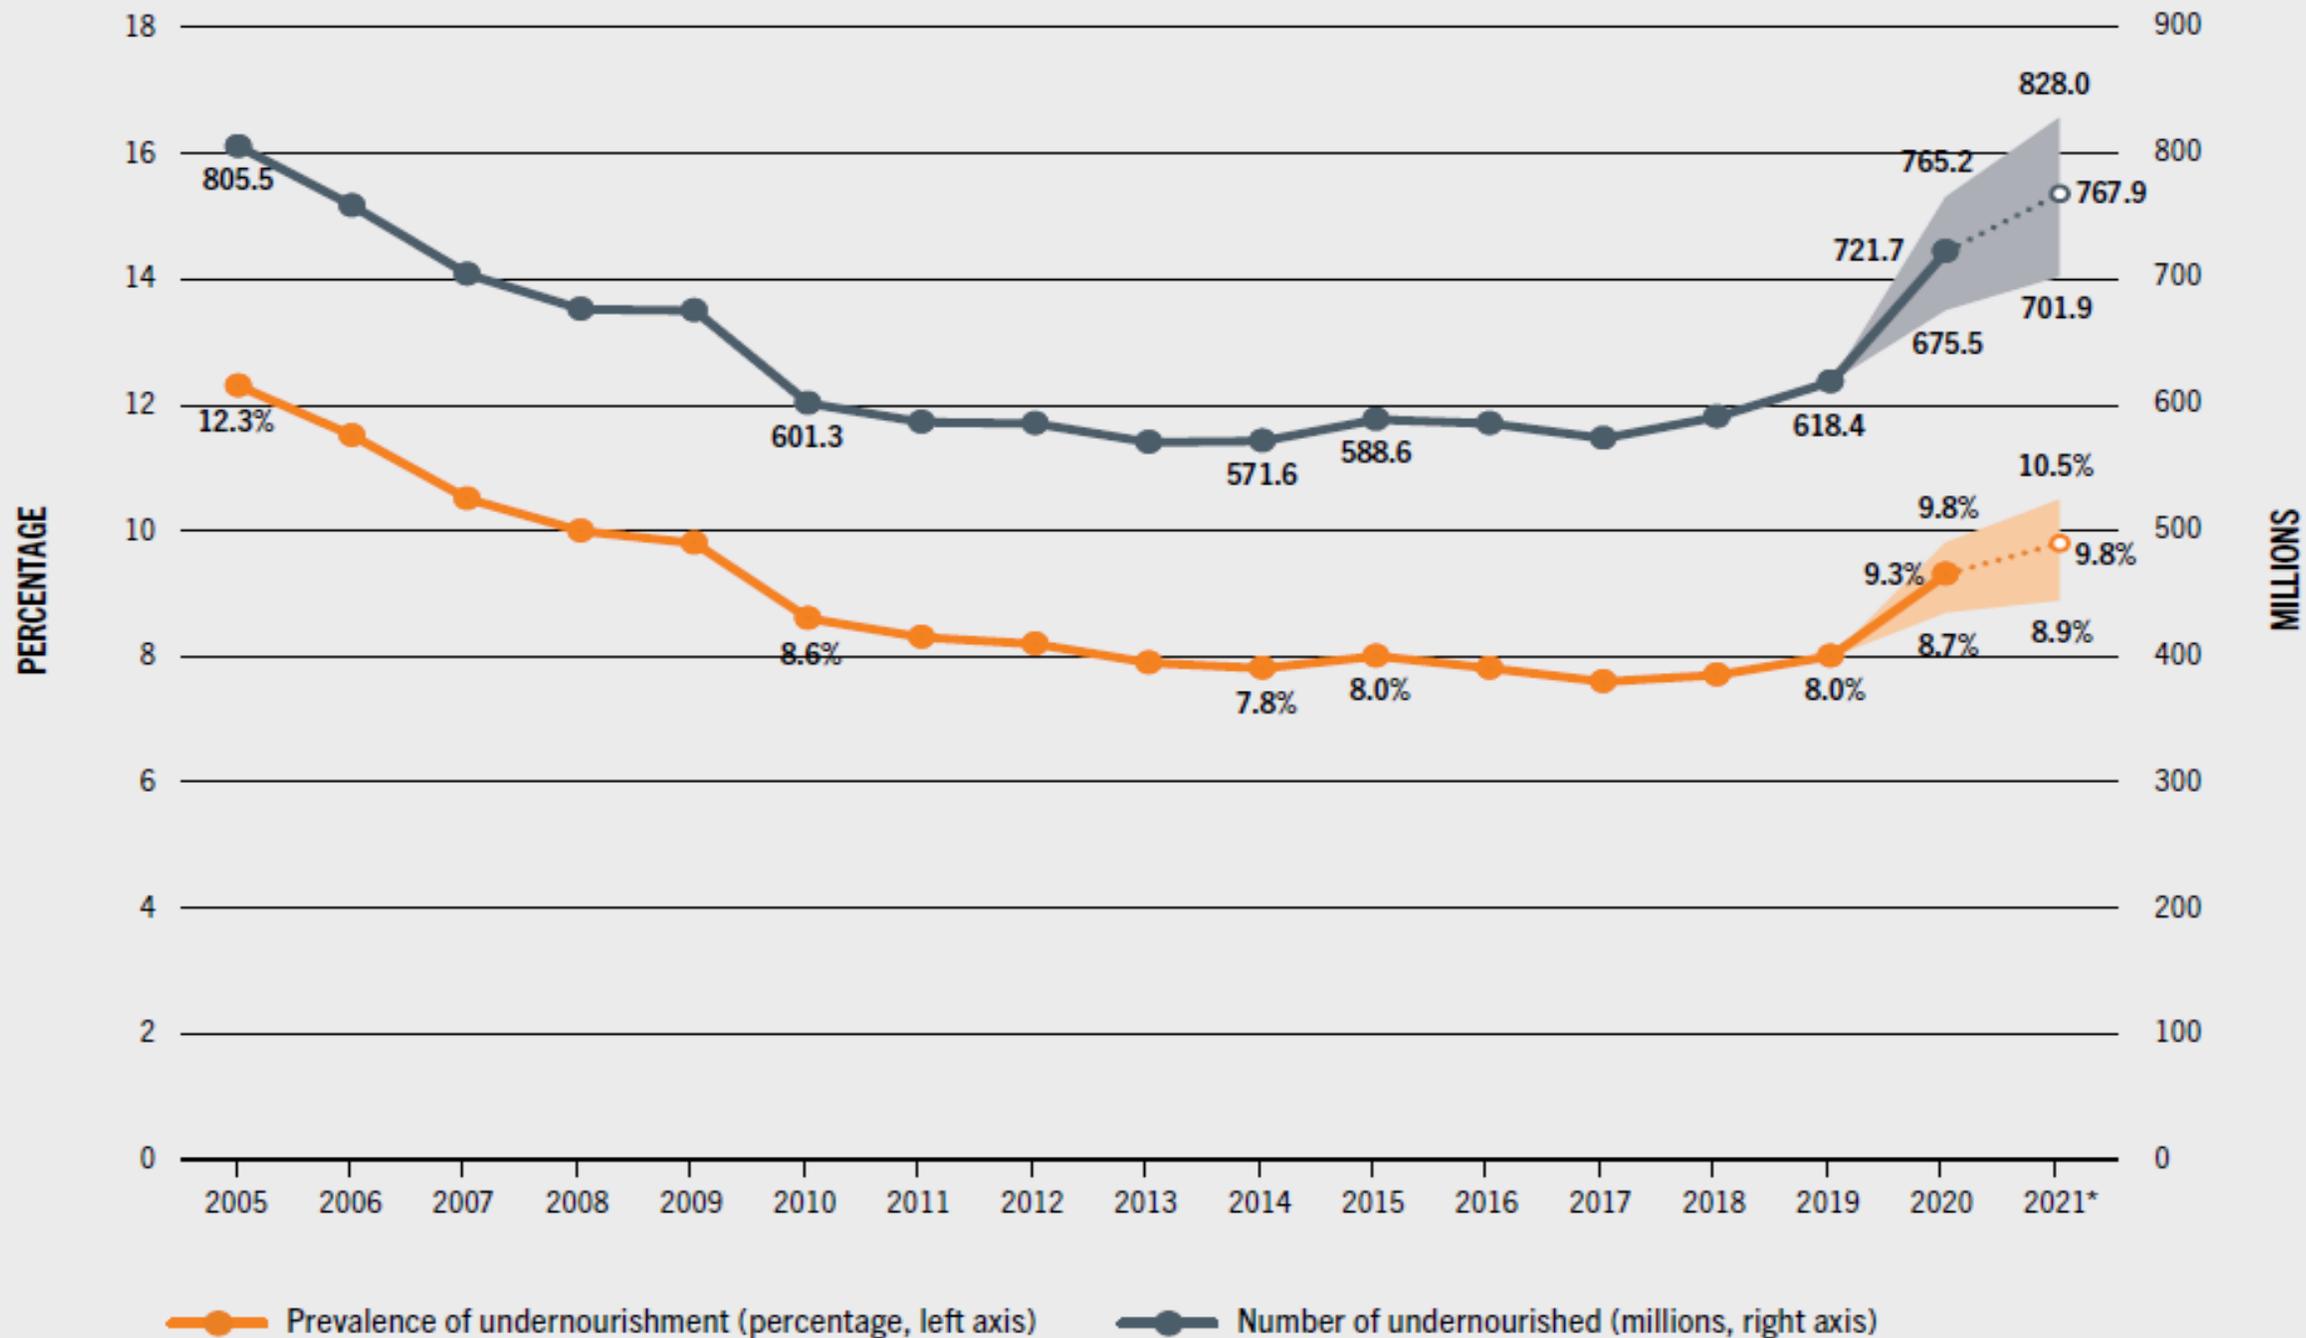

Dr Ismahane Elouafi
FAO Chief Scientist

Sounding the alarm: SDG progress at the mid-way point

Progress assessment for the 17 Goals based on assessed targets, 2023 or latest data

■ On track or target met ■ Fair progress, but acceleration needed ■ Stagnation or regression ■ Insufficient data

Science & Innovation cut across all key dimensions of the FAO Strategic Framework
