Coordinator: Geo-Hub of Finland

# Objectives of Geo-Hubs

- DG AGRI intends to facilitate via Geo-Hubs the MS' preparations of their CAP Strategic Plans
  - New comprehensive approach, bringing together experts from different areas in DG AGRI to ensure:
    - ✓ joint support to a specific Member State
    - ✓ continuous interaction
    - ✓ coherent guidance
- objective is not to negotiate with particular MS on the political aspects of CAP reform (Council/Parliament)
