

# Reinforcing the partnership principle

- Importance of Art. 94 of the CAP Strategic Plan Regulation. Need to draw up the CAP Plans based on transparent procedures involving:
  - All relevant public bodies (including competent regional and local authorities)
  - Economic and social partners
  - Relevant bodies representing civil society
- Commission urges all MS to act (in particular those MS who did launch yet the dialogue)
- Commission will closely monitor this process before the CAP Strategic Plans are submitted
- It is recommended to the use of the principles defined in the ***European code of conduct on partnership (ESIF)***
- Importance of stakeholders in **monitoring committees**, in future **CAP network** and **AKIS**
