

Pillar I Output indicator fiches (last update November 2018)

FOR DIRECT PAYMENTS, MARKET MEASURES, AND HORIZONTAL ASPECTS¹

Pillar I output indicators – Direct payments

Indicator No.	Indicator name
	Basic payment scheme
O.01_PI	Number of farmers
O.02_PI	Number of hectares
	Single area payment scheme
O.03_PI	Number of farmers
O.04_PI	Number of hectares
	Transitional national aid (TNA)
O.05_PI	Number of farmers
O.06_PI	Number of units for which TNA is granted (hectares / animals / other)
	Redistributive payment
O.07_PI	Number of farmers
O.08_PI	Number of hectares
	Greening
O.09_PI	Total number of farmers who have to apply at least one greening obligation
O.10_PI	Total number of hectares declared by those farmers
	Greening exemptions
O.11_PI	Number of farmers exempted by: organic farmers / exempted from crop diversification / exempted from EFA obligation
O.12_PI	Number of hectares declared by these farmers (organic farmers, exempted from crop diversification, exempted from EFA obligation)
	Crop diversification
O.13_PI	Number of farmers subject to crop diversification (with 2 crops; with 3 crops)
O.14_PI	Number of hectares of arable land declared by farmers subject to crop diversification (with 2 crops; with 3 crops)
	Permanent grassland
O.15_PI	Number of farmers with permanent grassland counting for the ratio
O.16_PI	Number of hectares covered by permanent grassland declared by the farmers counting for the ratio
O.17_PI	Number of farmers with permanent grassland in designated environmentally sensitive areas
O.18_PI	Number of hectares covered by environmentally sensitive permanent grassland declared by these farmers
O.19_PI	Number of hectares of designated as environmentally sensitive permanent grassland (total)
	Environmental Focus Area
O.20_PI	Number of farmers subject to EFA requirements
O.21_PI	Number of hectares of arable land declared by farmers subject to EFA

¹ COMMISSION IMPLEMENTING REGULATION (EU) No 834/2014 of 22 July 2014 laying down rules for the application of the common monitoring and evaluation framework of the common agricultural policy

O.22_PI	Number of hectares declared by farmers as EFA, broken down by EFA type
	Equivalence
O.23_PI	Number of farmers applying equivalent measures (certification schemes or agri-environment-climate measures)
O.24_PI	Number of hectares declared by farmers implementing equivalent measures (certification schemes or agri-environment-climate measures)
	Payment for young farmers
O.25_PI	Number of farmers
O.26_PI	Number of hectares
	Small farmers' scheme
O.27_PI	Number of farmers
O.28_PI	Number of hectares
	Voluntary coupled support
O.29_PI	Number of beneficiaries of voluntary coupled support (broken down by sector)
O.30_PI	Quantities eligible (number of hectares/ number of animals broken down by sector)
O.31_PI	Number of hectares
O.32_PI	Number of animals
	Payment for areas with natural constraints
O.33_PI	Number of farmers
O.34_PI	Number of hectares
	National programmes for the cotton sector
O.35_PI	Number of farmers
O.36_PI	Number of hectares

Pillar I output indicators - Market measures

Indicator No.	Indicator name
	Public intervention
O.37_PI	Volume
O.38_PI	Duration
	Private storage
O.39_PI	Volume
O.40_PI	Duration
	Export refunds
O.41_PI	Volume of products exported with export refunds
	Exceptional measure
O.42_PI	[as appropriate]
	Producer organisations
O.43_PI	% of production marketed by producer organisations and associations of producer organisations
	School schemes
O.44_PI	Number of final beneficiaries of school milk scheme
O.45_PI	Number of final beneficiaries of school fruit scheme

Wine sector	
O.47_PI	Number of hectares of new vine plantings
O.48_PI	Number of hectares of restructured vineyards
O.49_PI	Number of promotion projects in the wine sector
O.50_PI	Number of projects of investment and innovation measures

Pillar I output indicators - Horizontal aspects

Indicator No.	Indicator name
Cross compliance	
O.51_PI	Number of hectares subject to cross-compliance
O.52_PI	Share of CAP payments subject to cross-compliance
Quality policy	
O.53_PI	Geographical indications in the wine sector
O.54_PI	Number of new protected designations of origin, protected geographical indication and traditional speciality guaranteed by sector
Organic farming	
O.54_PI	Number of hectares (total and under conversion)
O.55_PI	Number of certified registered organic operators
Promotion policy	
O.56_PI	Number of programmes (in and outside the EU)
O.57_PI	Number of new proposing organisations
Farm Advisory system	
O.58_PI	Number of farmers advised

FICHE CONTENTS

Measure / scheme	<i>Identification of the measure to which the indicator is linked as defined in the Pillar I intervention logic (e.g. public intervention, export refunds, green payment, coupled payment, wine investment measures, etc.)</i>
Reference of the measure / scheme	<i>Reference to the article(s) in the (draft) legal act describing the measure / scheme and/or specific information about the measure</i>
Indicator Name	<i>Title of the indicator which will be used to monitor the measure / scheme</i>
Specifications	<i>Details on the definition of the indicator, if needed</i>
Data source	<i>Identification of data source, or legal basis, to collect the indicator</i>
References/location of the data	<p><i>Places where the data is/will be collected in DG AGRI.</i></p> <p><i>There are different databases, such as:</i></p> <ul style="list-style-type: none"> <i>- ISAMM (for most notifications),</i> <i>- CATS (clearance of account data),</i> <i>- DOOR (for quality products),</i> <i>- MPP database (for promotion programmes),</i> <i>- E-Bacchus (for the wine sector),</i> <i>- e-Spirits (for spirit drinks).</i> <p><i>The final data related to the CMEF indicators will be gathered in a common data warehouse (AGRIVIEW).</i></p>
Data collection level	<i>Identification of the geographical level at which the indicator should be established</i>
Timing for submission	<i>When the indicator has to be submitted by Member States (and/or frequency)</i>
Comments/caveats	<i>Comments concerning interpretation of the indicator for monitoring and evaluation purposes and its caveats, if appropriate</i>

DIRECT PAYMENTS

1. Basic payment scheme

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Basic payment scheme (BPS)	Sections 1, 2 (reserves) and 3 of Chapter 1 of Title III of Regulation 1307/2013	O.01_PI Number of farmers	The total number of applications lodged under the BPS (applications lodged)	Clearance of accounts data	National	15/07 N+1
		O.02_PI Number of hectares: - declared area - determined area.	a.The total number of hectares declared in the applications lodged under the BPS (declared area); b.The total number of hectares determined (shall mean the area for which all conditions laid down in the provisions for granting the aid have been met) under the BPS (determined area)	Clearance of accounts data	National	15/07 N+1

2. Single Area Payment Scheme

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Single Area Payment Scheme (SAPS)	Section 4 of Chapter 1 of Title III of Regulation 1307/2013	O.03_PI Number of farmers	The total number of applications lodged under SAPS (applications lodged)	Clearance of accounts data	National	15/07 N+1
		O.04_PI Number of hectares: - declared area - determined area.	a.The total number of hectares declared in the applications lodged under SAPS (declared area, from notifications –early estimate–and from control data); b.The total number of hectares determined (shall mean the area for which all conditions laid down in the provisions for granting the aid have been met) under the SAPS (determined area, from control data)	- Notifications (Art. 64(5) of Delegated Regulation 639/2014) for declared area - clearance of accounts data for both declared area and determined area	National	01/09/N and July N+1

3. Transitional national aid (TNA)

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Transitional national aid	Article 37 of section 4 of Chapter 1 of Title III of Regulation (EU) No 1307/2013	O.05_PI Number of farmers : - total - for coupled TNA - for decoupled area payment - for other decoupled TNA	= The sectoral number of applications lodged under SAPS for TNA (applications lodged). TNA may be granted to farmers in sectors in respect of which this aid or, in the case of Bulgaria and Romania, complementary national direct payments were granted in 2013.	Notifications (Delegated Regulation 639/2014, Article 75(2))	National	15/09 N+1
		O.06_PI Number of units for which TNA is granted for coupled TNA: -nb of animals (Ewe / sheep and goats / suckler cows) - nb of LU (Ewe / sheep and goats / suckler cows)	The total number of animals or other units (livestock units) for which TNA has been granted, per sector, declared in the applications lodged for transition national aid Decoupled TNA are not counted in this indicator.		National	15/09 N+1

4. Redistributive payment

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Redistributive payment	Chapter 2 of Title III of Regulation 1307/2013	O.07_PI Number of farmers	The total number of applications lodged (applications lodged)	Clearance of accounts data	National	15/07 N+1
		O.08_PI Number of hectares: - declared area - determined area.	a.The total number of hectares declared in the applications lodged (declared area); b.The total number of hectares determined (shall mean the area for which all conditions laid down in the provisions for granting the aid have been met) (determined area)	Clearance of accounts data	National	15/07 N+1

5. Greening

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Greening	Art 43(2) and 43(3) of Regulation (EU) No 1307/2013	O.09_PI Total number of farmers who have to apply at least one greening obligation		Notifications (Delegated Regulation 639/2014, Article 65(1)(c)(i))	National	15/12 N
	Art 43(2) and 43(3) of Regulation (EU) No 1307/2013	O.10_PI Total number of hectares declared by those farmers		Notifications (Delegated Regulation 639/2014, Article 65(1)(c)(i))	National	15/12 N

6. Greening exemptions

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Greening exemptions	Chapter 3 of Title III of Regulation (EU) No 1307/2013	O.11_P1 Number of farmers exempted: - who comply with organic farming requirement (Council Regulation (EC) No 834/2007) - exempted from crop diversification - exempted from EFA obligation	(Breakdown of the farmers exempted from greening obligations) (Breakdown of the related areas declared by these farmers)	Notifications (Delegated Regulation 639/2014, Article 65(1)(c)(ii))	Regional	15/12 N
	Chapter 3 of Title III of Regulation (EU) No 1307/2013	O.12_P1 Number of ha declared by these farmers (declared area): - exempted because organic farmers - exempted from crop diversification - exempted from EFA obligation		Notifications (Delegated Regulation 639/2014, Article 65(1)(c)(ii))	Regional	15/12 N

7. Crop diversification

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Crop diversification	Article 44 of Regulation (EU) No 1307/2013	O.13_PI Number of farmers subject to crop diversification : a) total; b) with 2 crops; c) with 3 crops.			Regional	15/12 N
	Article 44 of Regulation (EU) No 1307/2013	O.14_PI Number of hectares of arable land declared by farmers subject to crop diversification : a) total; b) declared area with 2 crops; c) declared area with 3 crops.		Notifications (Delegated Regulation 639/2014, Article 65(1)(c)(iv))	Regional	15/12 N

8. Permanent grassland

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Permanent grassland	Article 45 of Regulation (EU) No 1307/2013	O.15_PI -Number of farmers with permanent grassland counting for the ratio (excluding organic / small farmers)		Notifications (Delegated Regulation 639/2014, Article 65(1)(c)(v))	Regional	15/12 N
	Article 45 of Regulation (EU) No 1307/2013	O.16_PI Number of hectares covered by permanent grassland declared by the farmers counting for the ratio (excluding organic / small farmers)			Regional	15/12 N
	Article 45 of Regulation (EU) No 1307/2013	O.17_PI Number of farmers with permanent grassland in designated environmentally sensitive areas: a) total; b) in Natura		Notifications (Delegated Regulation 639/2014, Article 65(1)(c)(vi))	Regional	15/12 N

9. Ecological Focus Areas (EFA)

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
EFA	Article 46 of Regulation (EU) No 1307/2013	O.20_PI Number of farmers subject to EFA requirements		Notifications (Delegated Regulation 639/2014, Article 65(1)(c)(vii))	Regional	15/12 N
		O.21_PI Number of hectares of arable land declared by farmers subject to EFA			Regional	15/12 N
		O.22_PI Number of hectares declared by farmers as EFA, broken down by EFA type : (a) land lying fallow; (b) terraces - total; (c) terraces – under cross-compliance; (d) terraces – other; (e) landscape features - total; (f) landscape features – hedges and	(After conversion into hectares where appropriate, but before application of the weighting factors), as listed in the fourth subparagraph of Article 46(2) of Regulation (EU) No 1307/2013		Regional	15/12 N

	<p>wooded stripes; (g) landscape features – isolated trees; (h) landscape features – trees in line; (i) landscape features – trees in group and field; (j) landscape features – field margins; (k) landscape features – pounds; (l) landscape features – ditches; (m) landscape features – traditional walls; (n) landscape features – other; (o) buffer strips - total; (p) buffer strips - along water courses; (q) buffer strips - other; (r) agro-forestry; (s) strips along forest edges - total; (t) strips along forest edges –</p>				
--	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--	--	--	--

	<p>without production; (u) strips along forest edges – with production; (v) short rotation coppice; (w) afforested areas; (x) catch crops, or green cover; (y)nitrogen-fixing crops.</p>				
--	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--	--	--	--

10. Equivalence

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Greening Equivalence	Article 43(3) of Regulation (EU) No 1307/2013	O.23_PI Number of farmers applying equivalent measures via: (a) total; (b) certification schemes; (c) agri-environment-climate measures.			Regional	15/12 N
	Article 43(3) of Regulation (EU) No 1307/2013	O.24_PI Number of hectares declared by farmers implementing equivalent measures via: (a) Total of arable land and permanent grassland; (b) certification schemes (c) agri-environment-climate measures; (d) total EFA; (e) EFA via certification		Notifications (Delegated Regulation 639/2014, Article 65(1)(c)(iii))	Regional	15/12 N

	schemes; (f) EFA via agri- environment- climate measures.				
--	-----------------------------------------------------------------------	--	--	--	--

11. Payment for young farmers

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Payment for young farmers	Chapter 5 of Title III of Regulation (EU) No 1307/2013	O.25_PI Number of farmers	The total number of applications lodged under the young farmers scheme	Clearance of accounts data	National *[possibly regional - to be seen later if needed for audit purposes]	15/07 N+1
		O.26_PI Number of hectares: - declared area - determined area.	a. The total number of hectares declared in the applications lodged under the young farmers scheme (declared area); b. The total number of hectares for which a top-up payment under the young farmer scheme is made (determined area)	Clearance of accounts data		15/07 N+1

12. Small farmers' scheme

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Small farmers' Scheme	Title V of Regulation (EU) No 1307/2013	O.27_PI Number of farmers	The total number of applications lodged under the Small Farmers Scheme	Clearance of accounts data	National	15/07 N+1
		O.28_PI Number of hectares: - determined area.	Total number of hectares determined under the Small Farmers Scheme	Clearance of accounts data	National	15/07 N+1

13. Voluntary coupled support

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Voluntary coupled support	Chapter 1 of Title IV of Regulation (EU) No 1307/2013	O.29_PI Number of beneficiaries of voluntary coupled support Total and by sector	<u>Sectors eligible:</u> cereals, oilseeds, protein crops, grain legumes, flax, hemp, rice, nuts, starch potato, milk and milk products, seeds, sheepmeat and goatmeat, beef and veal, olive oil, silkworms, dried fodder, hops, sugar beet, and fruit and vegetables	Notifications (Delegated Regulation 639/2014, Article 67(2))	National and regional (NUTS 3)	15/09 N+1
		O.30_PI Quantities eligible: - number of ha (fixed areas) by specific sector - number of (fixed) animals by specific sector	ANNEX I Information to be provided the year before the actual implementation (ex-ante notifications)	Notifications (Delegated Regulation 639/2014, Article 67(1) and ANNEX I)	National and regional (NUTS 3)	ex-ante info (1st August Year N-1 for the ANNEX I notification)
		O.31_PI Number of hectares: total and by sector	Number of hectares for which coupled support has been granted (if VCS is granted as payment per hectare), by sector	Notifications (Delegated Regulation 639/2014, Article 67(2))	National and regional (NUTS 3)	15/09 N+1
		O.32_PI Number of animals by sector	Number of animals for which coupled support has been granted (if VCS is granted as payment per animal)	Notifications (Delegated Regulation 639/2014, Article 67(2))	National and regional (NUTS 3)	15/09 N+1

14. Payment for areas with natural constraints

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Payment for areas with natural constraints	Chapter 4 of Title III of Regulation (EU) No 1307/2013	O.33_PI Number of farmers	The total number of applications lodged under the first pillar areas with natural constraints (ANC) scheme	Clearance of accounts data	National *[possibly regional - to be seen later if needed for audit purposes]	15/07 N+1
		O.34_PI Number of hectares: - declared area - determined area.	a. The total number of hectares declared as ANC in the applications lodged (declared area); b. The total number of hectares determined (shall mean the area for which all conditions laid down in the provisions for granting the aid have been met) under the ANC scheme (determined area)	Clearance of accounts data		15/07 N+1

15. National programmes for the cotton sector

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Specific payment for cotton	Chapter 2 of Title IV of Regulation (EU) No 1307/2013	O.35_PI Number of farmers	The total number of applications lodged for that support	Clearance of accounts data	National *[possibly regional - to be seen later if needed for audit purposes]	15/07 N+1
		O.36_PI Number of hectares: - declared area - determined area.	a. The total number of hectares declared in the applications lodged (declared Area); b. The total number of hectares determined (shall mean the area for which all conditions laid down in the provisions for granting the aid have been met) (Determined Area)	Clearance of accounts data		15/07 N+1

MARKET MEASURES

1. Public intervention

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission
Public intervention	Part II- Title I – Chapter I – Section 2 of Regulation (EU) No 1308/2013 <u>Eligible products proposed for intervention:</u> - cereals (common wheat, barley, durum wheat, and maize), - paddy rice, - fresh or chilled meat of the beef and veal sector, - butter, - skimmed milk powder of top quality.	O.37_PI Volume put in intervention in Year N - total per product: - common wheat; - barley; - durum wheat; - maize; - paddy rice; - fresh or chilled meat of the beef and veal sector; butter; - skimmed milk powder.	Total volume of production put in intervention in the year N. Unit of measurement: Metric tonnes	Notifications (Regulation 2016/1240) According to this regulation, quantities in public storage are notified by the Member States to the Commission every week for cereals and rice () and every month for beef meat (Article 65 §1 c)), butter and skimmed milk powder (Article 65 §1 b))	National	Yearly data transmission to AGV February N+1

2. Private storage

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission
<p>Private storage</p>	<p>Aid to private storage (Part II- Title I – Chapter I – Section 3 of Regulation (EU) No 1308/2013)</p> <p><u>Eligible products:</u></p> <ul style="list-style-type: none"> - butter - white sugar, - olive oil, - beef meat, - pigmeat, - sheepmeat, - goatmeat, - skimmed milk powder, - flax fibre, - cheese <p>PDO/PGI.</p>	<p>O.39_PI Volume</p> <p>(- per product as listed)</p>	<p>Total volume which benefited from private storage aid in Year N.</p> <p>Unit of measurement:</p> <ul style="list-style-type: none"> - Litres or hectolitres for olive oil, - metric tonnes, occasionally kilograms, for other products 	<p>Regulation as for Public Intervention: 2016/1240.</p> <p>Notifications on private storage: Article 66</p>	<p>National</p>	<p>Annual</p>

3. Export refunds

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission
Export refunds	Chapter VI of Part III of Regulation (EU) No 1308/2013. Eligible products: - cereals, - rice, - sugar, - beef and veal, - milk and milk products, - pigmeat, - eggs, - poultry meat, and - a series of products processed from the above-mentioned.	O.41_PI Volume of products exported with export refunds - total (- per product)	Units of measurement: - Heads for live animals, - units for eggs, - metric tonnes for other products	Regulation 612/2009. The volumes of products exported with export refunds can be followed up via the export licences issued by the Member States. From now on, export refunds will be agreed on an ad-hoc basis, with ad-hoc Regulations.	EU /National	Annual (if any)

4. Exceptional measures

Exceptional measures (Chapter I of Part V of Regulation 1308/2013) will be reported, but no single indicator can be defined in advance.

5. Producer organisations

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission
Producer organisations	Part II – Title II – Chapter III of Regulation (EU) No 1308/2013	O.43_PI % of production marketed by producer organisations and associations of producer organisations ² -(and producer groups until 2018): a- for Fruits and vegetables b- for milk and milk products - <i>tbc for other sectors</i>	<p>The indicator measures the value of production marketed by Producers Organisations (PO) and Associations of Producer Organisations (APOs) as a percentage (%) of the total value of production marketed.</p> <p>Until 2018, this % will include the production of Producer Groups set up during the previous period.</p> <p>For the fruit and vegetables, the value of production marketed includes all fruit and vegetable products marketed by the POs and APOs (originating from fruit and vegetables growers who are members or non-members of a PO).</p> <p>NB: For milk deliveries only quantities of raw milk delivered by recognised POs following collective negotiation (Article 149 of Regulation (EU) No 1308/2013) are reported NOT the value of the milk and not a % of production. So for milk the % of production marketed by PO / APOs would be based on volumes reported (which still fits with the definition in Regulation (EU) No 834/2014).</p> <p>The annual production is not reported in ISAMM, it will be based on EUROSTAT (monthly or annual production data per Member States).</p>	<p>Article 54 of Regulation 2017/891</p> <p>Art 3(1)(a) of Regulation 511/2012 (Milk)</p>	National	<p>Annual</p> <p>Milk by 15/3</p>

² It should be noted that in the milk sector farmer members of a processing cooperative cannot be member of a PO that collectively negotiates the price. So Member States with a high share of processing cooperative will have a very low PO share while the organisation of producers in chain is in fact very high.

6. School schemes

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission
School scheme	Aid for the supply of fruit and vegetables and of milk and milk products in educational establishments (Part II, Title I, Chapter II of Regulation (EU) No 1308/2013 of the EP and of the Council)	Number of beneficiaries of the school scheme (schoolchildren)	Number of schoolchildren having participated in the scheme in the school year	Member States notification (Art. 9.3 of Commission Delegated Regulation (EU) 2017/40 and Art. 8.1 of Commission Implementing Regulation (EU) 2017/39)	National	Annual (by 31 January) ³
School milk scheme	Aid for the supply of milk products to pupils – (Article 26 of Regulation (EU) No 1308/2013 and Article 6 of Council Regulation (EU) No 1307/2013)	O.44_PI Number of final beneficiaries of school milk scheme (pupils)	Approximate number of pupils having participated in the scheme during the past school year	Member States notification (Art. 17(2)(d) of Regulation 657/2008)	National	Annual (by 31 January N for previous school year running from 1 August to 31 July N-1) ⁴

³ The reported annual figures of year N refer to the school year running from 1 August N-2 to 31 July N-1 (= 31 January 2019 for school year 2017/2018).

⁴ The reported annual figures of year N refer to the school year running from 1 August N-1 to 31 July N.

School fruit scheme	Aid for the supply of fruit and vegetables, processed fruit and vegetables and banana products to children (Article 23 of Regulation (EU) No 1308/2013)	O.45_PI Number of final beneficiaries of school fruit scheme (pupils)	Number of pupils having received fruit and vegetables during the past school year	Member States notification (Article 15(1)(a) of Regulation 288/2009)	National	Annual (by 30 November N for past school year ending 31 July n) ⁴
---------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------	----------------------------------------------------------------------	----------	---------------------------------------------------------------------------------

7. Wine sector

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Scheme of authorisations for vine plantings	The scheme of authorisations for vine plantings as defined in CHAPTER III of Title I of Part II of Regulation (EU) No 1308/2013	O.47_PI Number of hectares of new vine plantings	Number of hectares granted in the form of authorisations for new vine plantings by public authorities from 1 January 2016	Annual communications according to Article 11(2)(a) and Annex V to Commission Implementing Regulation (EU) No 2015/561	National/Regional	Annual (01/11 – from 2016)
Restructuring and conversion of vineyards	The measure 'restructuring and conversion of vineyards' within the National Support Programmes for wine (in accordance with Article 19.2 of Commission Regulation (EU) No 2016/1150	O.48_PI Number of hectares of restructured vineyards	Number of hectares of vineyards restructured under the measure 'restructuring and conversion of vineyards' within the National Support Programmes for wine	Annex IV to Commission Regulation (EU) No 2016/1150	National	Annual (01/03 N+1)
Promotion	The measure 'promotion of wine on third country markets within the National Support Programmes for wine (in accordance with	O.49_PI Number of promotion projects in the wine sector	Number of promotion projects under the measure 'promotion of wine on third country markets within the National Support Programmes for wine	Information sent by the Member States in their communications – Annex IV to Commission Regulation (EU) No 2016/1150	National	Annual (01/03 N+1)

	Article 19.2 of Commission Regulation ((EU) No 2016/1150					
Investment and innovation in enterprise	The measure 'investments in enterprise' within the National Support Programmes for wine (in accordance with Article 19.2 of Commission Regulation (EU) No 2016/1150	O.50_PI Number of projects of investment measures		Information sent by the Member States in their communications – Annex IV to Commission Regulation (EU) No 2016/1150	National	Annual (1/03 N+1)
	The measure 'innovation in enterprise' within the National Support Programmes for wine (in accordance with Article 19.2 of Commission Regulation (EU) No 2016/1150	O.50_PI Number of projects of innovation measures		Information sent by the Member States in their communications – Annex IV to Commission Regulation (EU) No 2016/1150	National	Annual (1/03 N+1)

HORIZONTAL ASPECTS

1. Cross compliance

Measure (/scheme)	Reference	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Cross compliance	Title VI of Regulation (EU) No 1306/2013	O.51_PI Number of hectares subject to cross-compliance	<p>Number of hectares of agricultural land subject to cross compliance. As a proxy⁵, this will be the amount of:</p> <ul style="list-style-type: none"> - the area covered by the Basic Payment Scheme (determined area – output indicator 1 – direct payments); - the area covered by the Single Area Payment Scheme (determined area – output indicator 2 – direct payments); - the forest area covered by Natura 2000 payments (RD output indicator O.5 - M12.3); - the forest area covered by the measure "forest-environmental and climate services and forest conservation" (RD output indicator O.5 – M15.) 	Other output indicators	EU/National	Annual (October N+1)
		O.52_PI Share of CAP payments subject to cross-compliance	Share (%) of CAP payments subject to cross compliance through comparison of budget lines subject to cross compliance with total CAP budget	Internal calculation DG AGRI (Unit R1)	EU/National	Annual

⁵ Minor risk of under-estimation

2. Quality policy

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission
Quality policy	Geographical indications (GI) - WINE Regulation (EU) No 1308/2013 with regard to wine – geographical indications	O.53_PI Total number of new GI - wine Broken down by: - PDO - PGI		DG AGRI internal information	EU/ National ⁶	Data base updated regularly by Commission services
Quality policy	Geographical indications – FOOD Regulation EU No 1151/2012 on quality schemes for agricultural products and foodstuff – annex I Commission Implementing Regulation 668/2014-Annex XI	O.54_PI Total number of new GI - food: Broken down by: - PDO - PGI - TSG	Broken down by: Fresh meat (and offal) Meat based products Cheeses Other products of animal origin Oils and fats Fruit, vegetables, cereals Fresh fish, molluscs, crustaceans Other products of Annex I of the Treaty Beers Bread, Pastry, Cakes Other products	DG AGRI internal information	EU/ National ⁵	Data base updated regularly by Commission services

⁶ EU-28 sum represents the unique products which could be reported in several MS if applicable. Therefore, EU-28 sum could be lower than the sum of MS.

Quality policy	Geographical indications – SPIRIT DRINKS Regulation (EC) No 110/2008 with regard to spirit drinks	O.54_PI Total number of new GI – spirit drinks No breakdown: GI only		DG AGRI internal information	EU/ National ⁵	Data base updated regularly by Commission services
----------------	---------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------	--	------------------------------	------------------------------	----------------------------------------------------

3. Organic farming

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission
Organic farming	Council Regulation (EC) No 834/2007	O.54_P1 Number of ha: - total (certified) - under conversion	Number of hectares of organic area (complying with Council Regulation (EC) No 834/2007 on organic production and labelling of organic products - The area defined comprises all crop area. It may include secondary and other crops, so it may be not strictly comparable with the definition of Utilised Agricultural Area (only area of main crops) in the Farm Structure Survey.	Eurostat - organic farming statistics	National	Annual (2 years Time lag)
		O.55_P1 Number of certified registered organic operators: - total / - producers	Number of certified registered organic operators (with a focus on producers)	Eurostat - organic farming statistics	National	Annual (2 years Time lag)

4. Promotion policy

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission (N=claim year)
Promotion policy	Regulation (EU) No 1144/2014	O.56_P1 Number of programmes: - in the internal market - in third countries	- The number of accepted promotion programmes to be implemented on the internal market per year; - The number of accepted promotion programmes to be implemented in third countries per year. The promotion programmes are	Commission implementing decisions approving promotion and information programmes, in particular its Annex I listing	Data on the number of promotion programmes is available per Member State; the indicator is calculated	Annual (15 November)

		currently adopted twice per year by a Commission implementing decision and are listed in annex I of the respective decision.	the approved programmes.	at EU level (all programmes combined).	
	O.57_PI Number of new proposing organisations	The number of new proposing organisations per year.			Annual (15 November)

5. Farm Advisory System

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Data collection level	Timing for submission
Farm Advisory system	Title III of Regulation (EU) No 1306/2013 Member States will establish a Farm Advisory System (FAS), and farmers/beneficiaries may request advice on the issues covered by that system. The scope of the FAS is listed in this Regulation.	O.58_PI Number of farmers advised	Number of farmers/beneficiaries advised by designated advisory bodies The definition of advisory service is left to the Member States and may depend on the context. The beneficiary may be a natural person or a legal entity	According to Article 102(2) of Regulation EU (No) 1306/2013, a questionnaire will be sent to Member States on an ad-hoc basic	National
