

Workshop on "Supply Chains in the EU Protein Sector"

Host France, 11-12 July 2018

Venue: CCI Saône-et-Loire Chalon-sur-Saône

1 Avenue de Verdun, 71100 Chalon-sur-Saône

AGENDA

11 July

08:30 – 09:00 *Welcome Coffee*

09:00 – 09:45

INTRODUCTION

Welcome Representative of the French Ministry

Introduction DG AGRI

Report on EU Plant Proteins and policy context

Introduction France

Plant proteins in France and inter-professional organisations , Benjamin LAMMERT (*Terres Univia*)

09:45 – 10:30

KEY NOTE

Concept and challenges of value chains for protein crops, Marie-Benoit MAGRINI (INRA)

10:30 – 11:00 *Coffee break*

11:00-13:30

Two parallel sessions

Session 1

Feed chain – commodity markets

(Rapporteur: Celia CHOLEZ)

Main challenges and bottlenecks in the chains

Nan-Dirk MULDER
(Rabobank)

Functioning of the feed supply chains for EU protein crops

Christophe CALLU
MÉRITE
(FEFAC/Feed Alliance)

New opportunities on feed for EU protein crops

Corinne PEYRONNET
(Terres Univia)

Q&A

All participants

Session 2

Upscale food supply chain

(Rapporteur: Roberto PAPA & Marta VASCONCELOS)

Innovations in the food supply chain for plant proteins

Denis CHEREAU
(Improve)

Experiences from the soy drink market

Lies HEYNS *(Alpro)*

Consumption of natural soy and plant-based products

Anne MOULIS
(Nutrition&Santé/ENSA)

Q&A

All participants

13:30 – 14:30 *Lunch*

14:30 - 19:00 *Field trip, visit of the regional soya supply chain (Crissey/Extrusel/Sanders)*

19:15 *Reception and Dinner*

12 July

08:30 – 09:00 Welcome Coffee

09:00-11:15

Two parallel sessions

Session 1

Feed chain – high value, specialised markets

(Rapporteur: Diego RUBIALES)

Concept of High-value supply chains such as organic or non-GM feed

Christophe CALLU
MÉRITE
(FEFAC/Feed Alliance)

Developing the supply chain for protein from perennial crops (grasses and legumes)

Uffe JØRGENSEN
(Aarhus University)

Q&A

All participants

Session 2

Food supply chain in niches

(Rapporteur: Marta VASCONCELOS)

Food value chain for protein rich seeds- addressed to very specialised markets like high protein food for sports

Pascal MONTOIRE
(Chanvrière de l'Aube)

The needs of the industry for value chain building

Bruno BEN SAID
(Roquette)

Commercialisation of high quality legumes produced in Natura 2000 areas

Ernesto AGUIRRE
(Global Nature Foundation)

Dutch experience with supply chains in high value food

Mariët VAN DE NOORT
(MFH Pulses)

Q&A

All participants

11:15 – 11:30 Coffee break

11:30 – 12:30

Wrap up – official closure of the workshop

Report from parallel session on feed – commodity markets

Celia CHOLEZ

Report from parallel session on feed – specialised markets

Diego RUBIALES

Report from parallel sessions on food

Marta VASCONCELOS

Discussion

All participants

Final conclusions

Marie-Benoit MAGRINI
Fabien SANTINI, DG AGRI
Representative of the FR Ministry

12:30 – 13:30

Lunch

European
Commission
