

EU Financial support for ASF eradication in the Eastern part of Europe

**CDG Pig meat
7 November 2017**

EU financial support to the Member States:

Since 2013, EU financial support has been provided to prevent or eradicate the disease using two different tools:

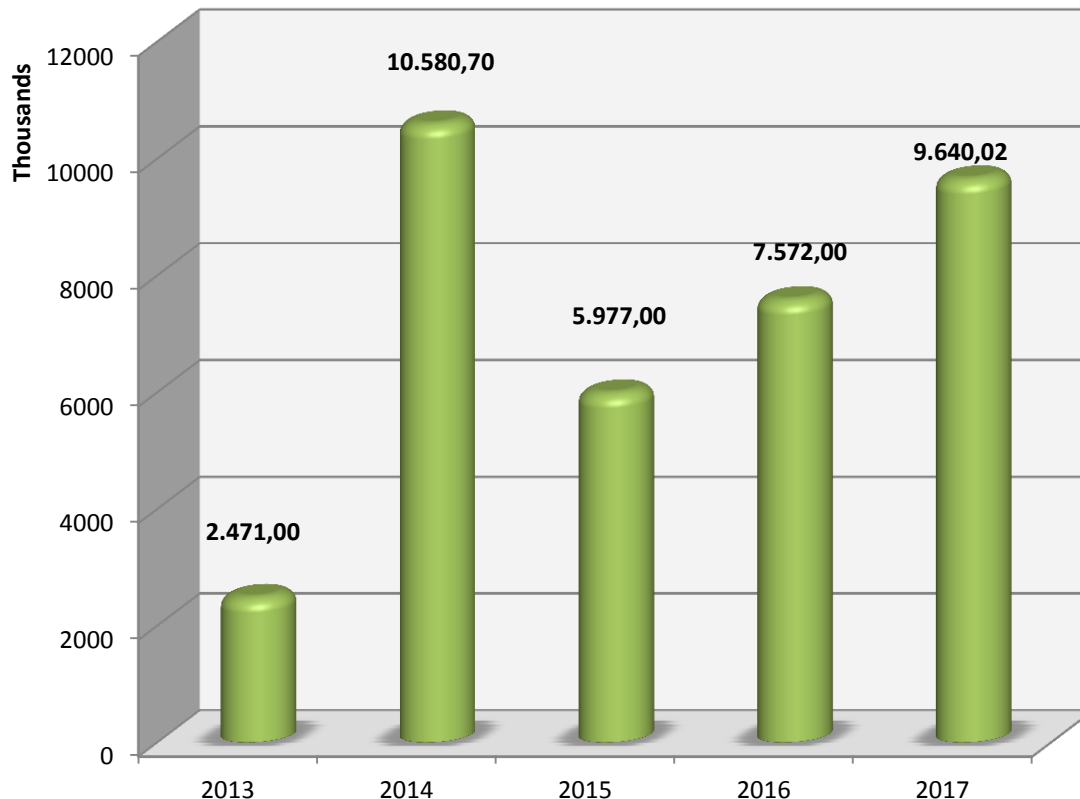

- emergency measures and
- eradication programmes

36,2 M EUR allocated for the period 2013-2017

75% co-funding rate for the reimbursement of the cost incurred

EU funds allocated by the EU

African swine fever: allocation / year

- Maximum amount allocated in 2014 (first cases of ASF in EU)
- Steady increase in the allocation for 2015, 2016, 2017
- 30% increase in 2017

EU financial support to the Member States:

EU financial support has been granted to Member States:

- currently affected by the disease (Estonia, Lithuania, Latvia and Poland);
- not affected by the disease, but bordering non-EU countries that are infected (Finland, Hungary, Slovakia).
- affected by the disease during a limited period of time (Romania).

	2013	2014	2015	2016	2017	TOTAL
Estonia	45.000	349.200	2.400.000	2.184.000	2.425.000	7.403.200
Finland					23 000	23 000
Hungary		211.000	241.000	348.000	340.000	1.140.000
Latvia	829.000	1.595.700	667.000	1.695.000	1.867.000	6.653.700
Lithuania	1.454.000	3.885.800	1.176.000	1.393.000	1.557.000	9.465.800
Poland	143.000	4.512.000	1.332.000	1.515.000	3.002.000	10.504.000
Romania			55.000	102.000	309.000	466.000
Slovakia		27.000	106.000	335.000	115.000	583.000
TOTAL	2.471.000	10.580.700	5.977.000	7.572.000	9.640.000	36.240.700

EU financial support to the Member States:

Co-funded measures are the following:

- surveillance, sampling and testing of animals;
 - awareness-raising campaigns;
 - wild boar management measures, as targeted hunting to control populations and removal of dead wild boar from the environment to reduce the viral load;
 - disinfection actions;
 - compensation to farmers for the slaughtering and culling;
- other measures specific for each programme tailored to the Member State situation: laboratory equipment , vehicles etc.

EU financial support to the non EU countries:

- **EU financial support to Moldova and Ukraine started in 2016 (lab support)**
- **In 2017: two pilot projects**
- **Co-Funding rate 100%**

EU financial support to the non EU countries:

➤ For Ukraine:

- **225 000 EUR allocated**
- **Surveillance and collection of dead wild boars**
- **In oblasts bordering the EU and Moldova**

➤ For Moldova:

- **150 000 EUR allocated**
- **Purchase of material to control the disease**
- **In the whole country**
