PROGRAMME

“SCHOOL MILK AND FRUIT” IN LATVIA

SCHOOL YEAR
2020/2021

FAMILY CUP CHAMPIONSHIP “ZZ ČEMPIONĀTS”

Programme participated in the family cup championship “ZZ Čempionāts” final, where more than 2,000 participants from all over Latvia spent active and exciting day with their families.

There was a variety of interesting and witty questions about healthy living and nutrition within the programme for participants to answer. Each team that took part in this adventure received a surprise gift– healthy snack bags and badges with “School Milk and Fruit” symbols. Families had great opportunity to visit farms in the countryside and see the vegetables and fruits in the field, as well as to explore surroundings of Latvia nature.

COMPETITION “BE ACTIVE! DO IT TOGETHER!”

Children together with teachers and their families worked closely together and created a variety of interesting works that illustrated our daily habits and emphasized the importance of healthy eating in general.

It was great opportunity for children to learn about eating traditions and typical dishes of their region, as well as to prepare a healthy and delicious food popular in their region.

SOCIAL MEDIA CAMPAIGN “RAKSTĀMGALDA CHEK” (“SCHOOL DESK CHEK”)

A social networks activity where YouTube influencers published various examples with healthy recipes. @Instagram was great opportunity for everyone to read about healthy eating and “try” out a healthy snack! In TikTok everyone could participate in exciting competition and show what a healthy snack is on his/ her desk.

SOCIAL MEDIA

The programme has several social networking accounts where up to date information about healthy eating, competitions and other activities are posted:

OTHER ACTIVITIES

TV show in Latvia “Māmiņu klubs” (Mothers club) in attractive and exciting way explains how children and youngsters can strengthen their immunity and become more energetic on a daily basis by including milk as well as vegetables and fruits in their nutrition.
