Agriculture
and Rural
Development

CAP post-2020

- **Future of Food and Farming Communication: continue to make GI more **attractive** to farmers and consumers and **easier to manage****

CAP post-2020: GI needs

- **Wine: legal constraints and inefficient management
(definitions, absence of procedures)**
- **Food: not consistent with wine DA and Post-2020
(amendments, scrutiny / IPR focus, protection)**
- **Aromatised wines: 1 scheme for 5 names**

Post-2020 CAP: means

- Revision of the Wine GI rules (R 1308/2013 CMO).
Simplification. Making the scheme **more attractive** and **easy to manage**
- Parallel revision of GI rules on food (R 1151/2012) for **consistency** with Wine
- Incorporation of Aromatised Wines GIs (in R 251/2014).
Simplification

CAP post-2020: Wine (R1308/2013)

Simplification

- **PDO definition (name, criteria, *vitis vinifera*)**
- **Objection aligned: MS filter/no notice**
- **No Committee for registration without objection**
- **No formal decision for inadmissible objections**

CAP post-2020: Wine (R1308/2013)

Making GIs **easier to manage**

- **Commission scrutiny: IPR focus**
- **Commission scrutiny: manifest error (already DA)**
- **MS Communication on ongoing national procedures**
- **Cancellation: grounds aligned (+ voluntary)**

CAP post-2020: Wine (R1308/2013)

Making GIs **more attractive**

- Protection against goods in transit
- Protection in internet

CAP post-2020 Food (R1151/2012)

Simplification

- **PDO definition (criteria)**
- **Objection aligned: no notice, deadline standardised**
- **Deletion of the "evidence of origin" in the product specification**
- **Committee for transitional periods**

CAP post-2020: Food (R1151/2012)

GIs easier to manage and more attractive

- Commission scrutiny: IPR focus and manifest error
- MS Communication on ongoing national procedures
- Union and Standard amendments
- Protection against goods in transit
- Protection in internet

CAP post-2020: Food (R1151/2012)

Additional rules

- **Transitional period for TSG**

European
Commission

CAP post-2020: Aromatised wines (R251/2014)

Simplification

- Incorporation of Aromatised wines GI in the food Register

Post-2020 CAP: State of play

- **Post-2020 CAP – Adopted 1.6.2018 COM(2018)394 final**
(Wines, Food, and Aromatised Wines)
