

CAP after 2020 state of play and Tobacco

Tegoni Cinzia, DG AGRI C-1

#EUGreenDeal
#FutureofCAP

Civil Dialogue Group Olive and Spirit-Tobacco sector
16th February 2021

Outline

- **Towards the CAP 2020**
- **CAP reform state of play**
- **CAP and Tobacco today**

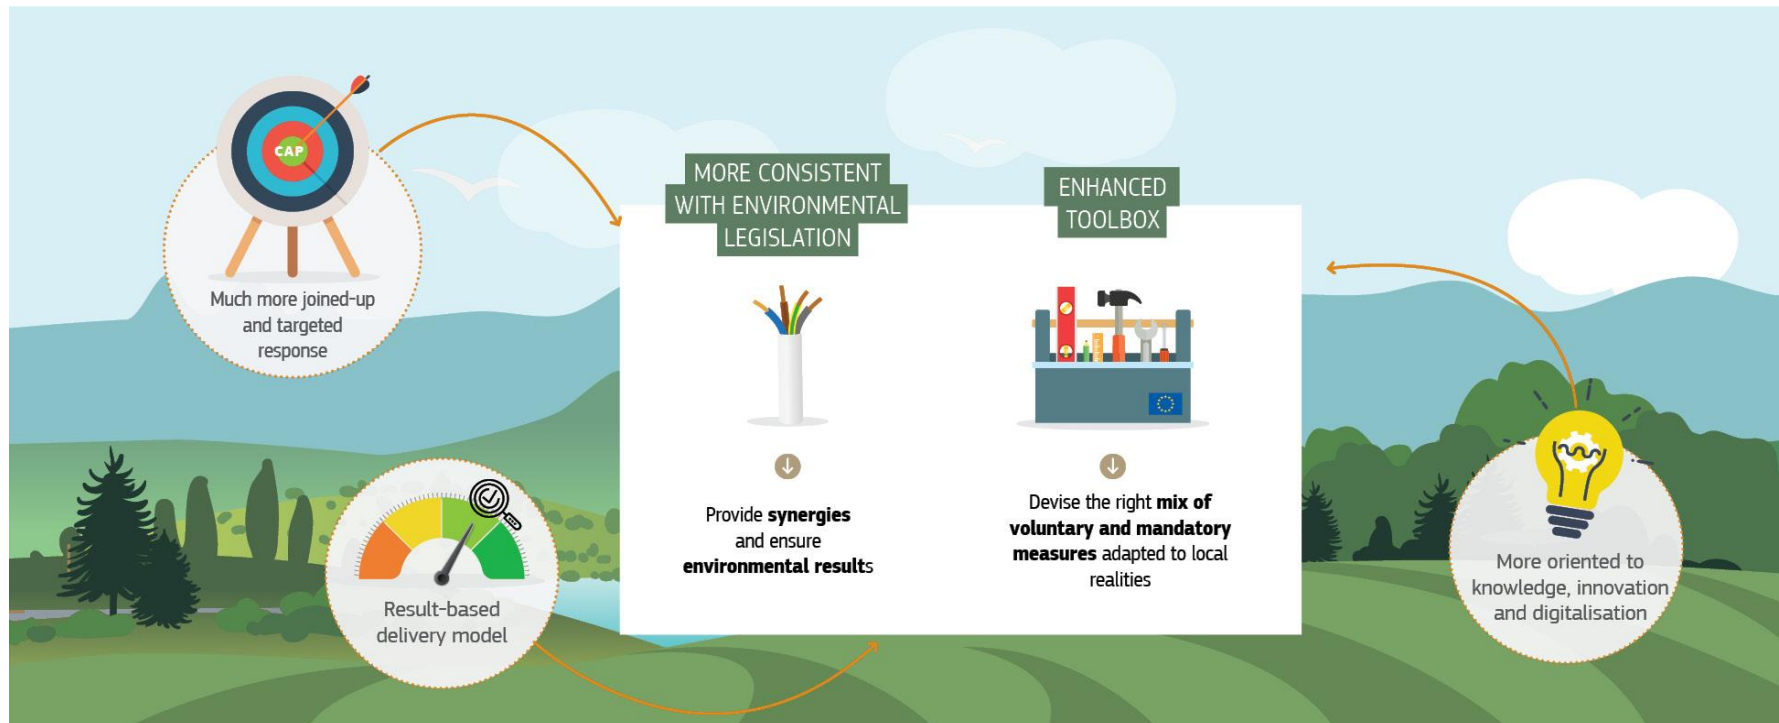

Towards the CAP post-2020

Key relevant elements in CAP reform proposal

KNOWLEDGE &
INNOVATION

EU Green Deal

Targets such as the Farm to Fork and Biodiversity Strategies

Reduction by 50 % of the overall use and risk of **chemical pesticides** and reduction use by 50 % of more hazardous **pesticides** by 2030

Achieve at least 25 % of the EU's agricultural land under **organic farming** and a significant increase in **organic aquaculture** by 2030

Reduced sales of **antimicrobials** for farmed animals and in aquaculture by 50 % by 2030

Reduce **nutrient losses** by at least 50 % while ensuring no deterioration in soil fertility; This will reduce use of **fertilisers** by at least 20 % by 2030

Making back at least 10 % of agricultural area **under high-diversity landscape features** by 2030

Achieve 100 % access to **almost broadband internet** in rural areas by 2025

Dialogue with EU countries

Recommendations

- Based on data and facts
- Specific consideration of DG objectives
- Coherence with other policies

+ Communication COM (2020) 846 with Annex 1

EU-27

MS CAP Strategic Plans

SWOT analysis

Needs assessment

Intervention strategy

Selection and design of interventions and allocations

Target Setting (Results)

**National CAP Strategic Plan:
Coherence
between pillars**

CAP post-2020 outlook for 2021

- **Trilogue discussions** on CAP reform: CAP Strategic Plan regulation
- **Continuation of the structured dialogue**
 - Technical support to Member States via DG AGRI geohubs
- Finalisation of basic, delegated and implementing acts
- Formal submission of CAP Strategic Plans by 31-12-2021....?

CAP and Tobacco

***2009:** decision to abandon specific support for tobacco production for health reasons*

***2010-2014:** transitional period - IT, FR, ES, HU and PL grant specific aid to tobacco growers*

***2015:** end of coupled aid - BG, PL, HU and RO grant decoupled transitional national aid (TNA)*

***2020:** end of TNA according to a phasing-out schedule (50% of the 2013 support level in 2020)*

CAP and Tobacco: current situation

Direct Payments: decoupled support decreasing and ending in 2020 (Article 37 R 1307/2013)

Common Market Organisation: mandatory recognition by MS of interbranch organisations in the tobacco sector (Art. 159 & 162 R 1308/2013) + definition of tobacco sector (Annex I Part XIV)

Rural Development: R 1305/2013 applies to tobacco producers as to any other farmers for activities not directly linked to tobacco production

CAP and Tobacco: current situation

Decreasing CAP financial support -> decreasing monitoring activities:

- **No Committee for Tobacco**
- **No Civil Dialogue Groups on Tobacco**

Only two notification obligations left for MS:

- **Recognised Interbranch Organisations**
- **Information on raw tobacco production**

THANK YOU
