Stock declarations 31/7/2017

COMMISSION IMPLEMENTING REGULATION (EU) 2017/1185 of 20 April 2017

Annex III

8. Wine sector products

Content of the notification

- (a) estimates of the production of wine products (including vinified and non-vinified grape must) on the territory of the Member State during the current wine year;
- (b) the definitive result of the production declarations referred to in Article 9 of Regulation (EC) No 436/2009, as well as an estimate of the production not covered by such declarations;
- (c) a summary of the stock declarations referred to in Article 11 of Regulation (EC) No 436/2009, held at 31 July of the previous wine year;
- (d) the final balance sheet of the previous wine year including full information on availabilities (opening stocks, production, imports), uses (human and industrial consumption, transformation, exports and losses) and final stocks.

Period of notification

- (a) estimates of production, by 30 September each year;
- (b) definitive result of the production declarations, by 15 March each year;
- (c) summary of stock declarations, by 31 October each year;
- (d) final balance sheet, by 15 January each year.

Member States concerned: Member States that maintain an updated vineyard register in accordance with Article 145(1) of Regulation (EU) No 1308/2013.
