Acceptance of EU regionalisation

- Canada
- Chile
- USA
- New Zealand

EU regionalisation rules are complex

	Zone 1	Zone 2	Zone 3	Zone 4
Meat, meat products, products containing meat (Implementing Decision 2014/709))	Allowed	<p>Prohibited with derogation:</p> <p>Meat and products produced in establishments in areas 2 but derived from pigs that were all their lives in holding outside restricted areas and that were slaughtered in specifically authorised establishments may be placed on the market.</p> <p>The same applies for meat from pigs with 30 day quarantine, <u>and</u> laboratory testing (RT-PCR with blood) within 15 days before transport – <u>or</u> coming from approved high biosecurity farms.</p> <p>Heat-treated products can be dispatched.</p>	<p>Prohibited with derogation:</p> <p>Meat and products produced in establishments in areas 3 but derived from pigs that were all their lives in holding outside restricted areas and that were slaughtered in specifically authorised establishments may be placed on the market.</p> <p>The same applies for meat from pigs with 30 day quarantine, <u>and</u> laboratory testing (RT-PCR with blood) within 15 days before transport – <u>or</u> coming from approved high biosecurity farms.</p> <p>Heat-treated products can be dispatched.</p> <p>If, due to capacity limitations within Area 3 the meat is produced in establishments not specifically approved, meat and meat products must be marked and must only be consumed in the Member State of origin. (Article 4).</p>	<p>Prohibited with derogation:</p> <p>Meat and products produced in specifically authorised establishments in areas 4 but derived from pigs that were all their lives in holding outside restricted areas may be placed on the market unrestricted.</p> <p>Heat-treated products can be dispatched.</p>

EU measures must be explained

- Are in conformity with OIE rules;
- High transparency;
- Acceptance is an obligation for WTO Members;
- WTO Appellate Body confirmed the validity of EU measures (Russia case).
- Amicable solution is preferable.
- Seminars held in Korea, Thailand, China, Taiwan, Japan.
- Study visits of Taiwan, Vietnam, South Africa et al.

Can we do more?

THANK YOU
