

The EU school fruit, vegetables and milk scheme

Annual monitoring report

2017/2018 school year

Country: **Greece**

Received on: **31-01-2019**

Information by the country's competent authorities. The report is sent to, but not approved by, the Commission that may make comments.

A series of delays, mainly due to lengthy tendering procedures, led to non-implementation of the scheme in the 2017/2018 school year.
