

# The EU school fruit, vegetables and milk scheme

## Annual monitoring report

2020/2021 school year

*Country:* **Greece**

*Received on:* **31-01-2022**

Information by the country's competent authorities. The report is sent to, but not approved by, the Commission that may make comments.

The programme was not implemented in the school year year 2020-2021, due to issues met with public procurement procedures and with Covid-19 pandemic.
