

DG AGRI Workshop 'Impact of Enlargement'

04 July 2024, Brussels

“ The role of the European Dairy Association in ensuring that the voice of your stakeholders is heard in Europe is key. I look forward to continuing our close cooperation to ensure that dairy has a promising future in Europe.”

Ursula von der Leyen,
President of the European
Commission

”

EU policies, especially the 'green lanes' and the 'zero quota, zero tariff' policy, have saved our Ukrainian dairy sector. The exports to Europe amount now to almost 45% of our overall exports.

Ukrainian and European Dairy – our common way forward!

EU Integration committee of Ukrainian Dairy initiated by SMPU

Київ
May 9, 2024

The Committee on European Integration is an open platform for consolidating the Ukrainian dairy industry to combine the efforts of business, professional associations and government on the way to a common market with the EU.

The Committee will help to define and coordinate the integration process based on the interests of all industry representatives and stakeholders and on favourable terms, primarily for the Ukrainian dairy market.
