

EUROCOMMERCE QUESTIONNARY FOR THE POINT

6.2.2 Exchange of views on the animal welfare label scheme in Denmark and the Netherlands (concept and impact on the market)

EuroCommerce expects an exchange of views that will be fed by a questionnaire for the experts of the Member States concerned i.e. Denmark and The Netherlands, who will participate in the meeting on 5th December 2016. All other experts are welcome to express their opinion.

The questionnaire is as follows:

- What are the main issues regarding welfare criteria?
- How are farmers reimbursed for extra elements?
- Market share (if available)?
- Presentation towards consumer?
- How are controls organised and financed?
- Are the schemes open to producers from other EU-countries?
