

Food Systems Summit follow-up

Wim Olthof DG INTPA

FSS Coalitions – EU engagement

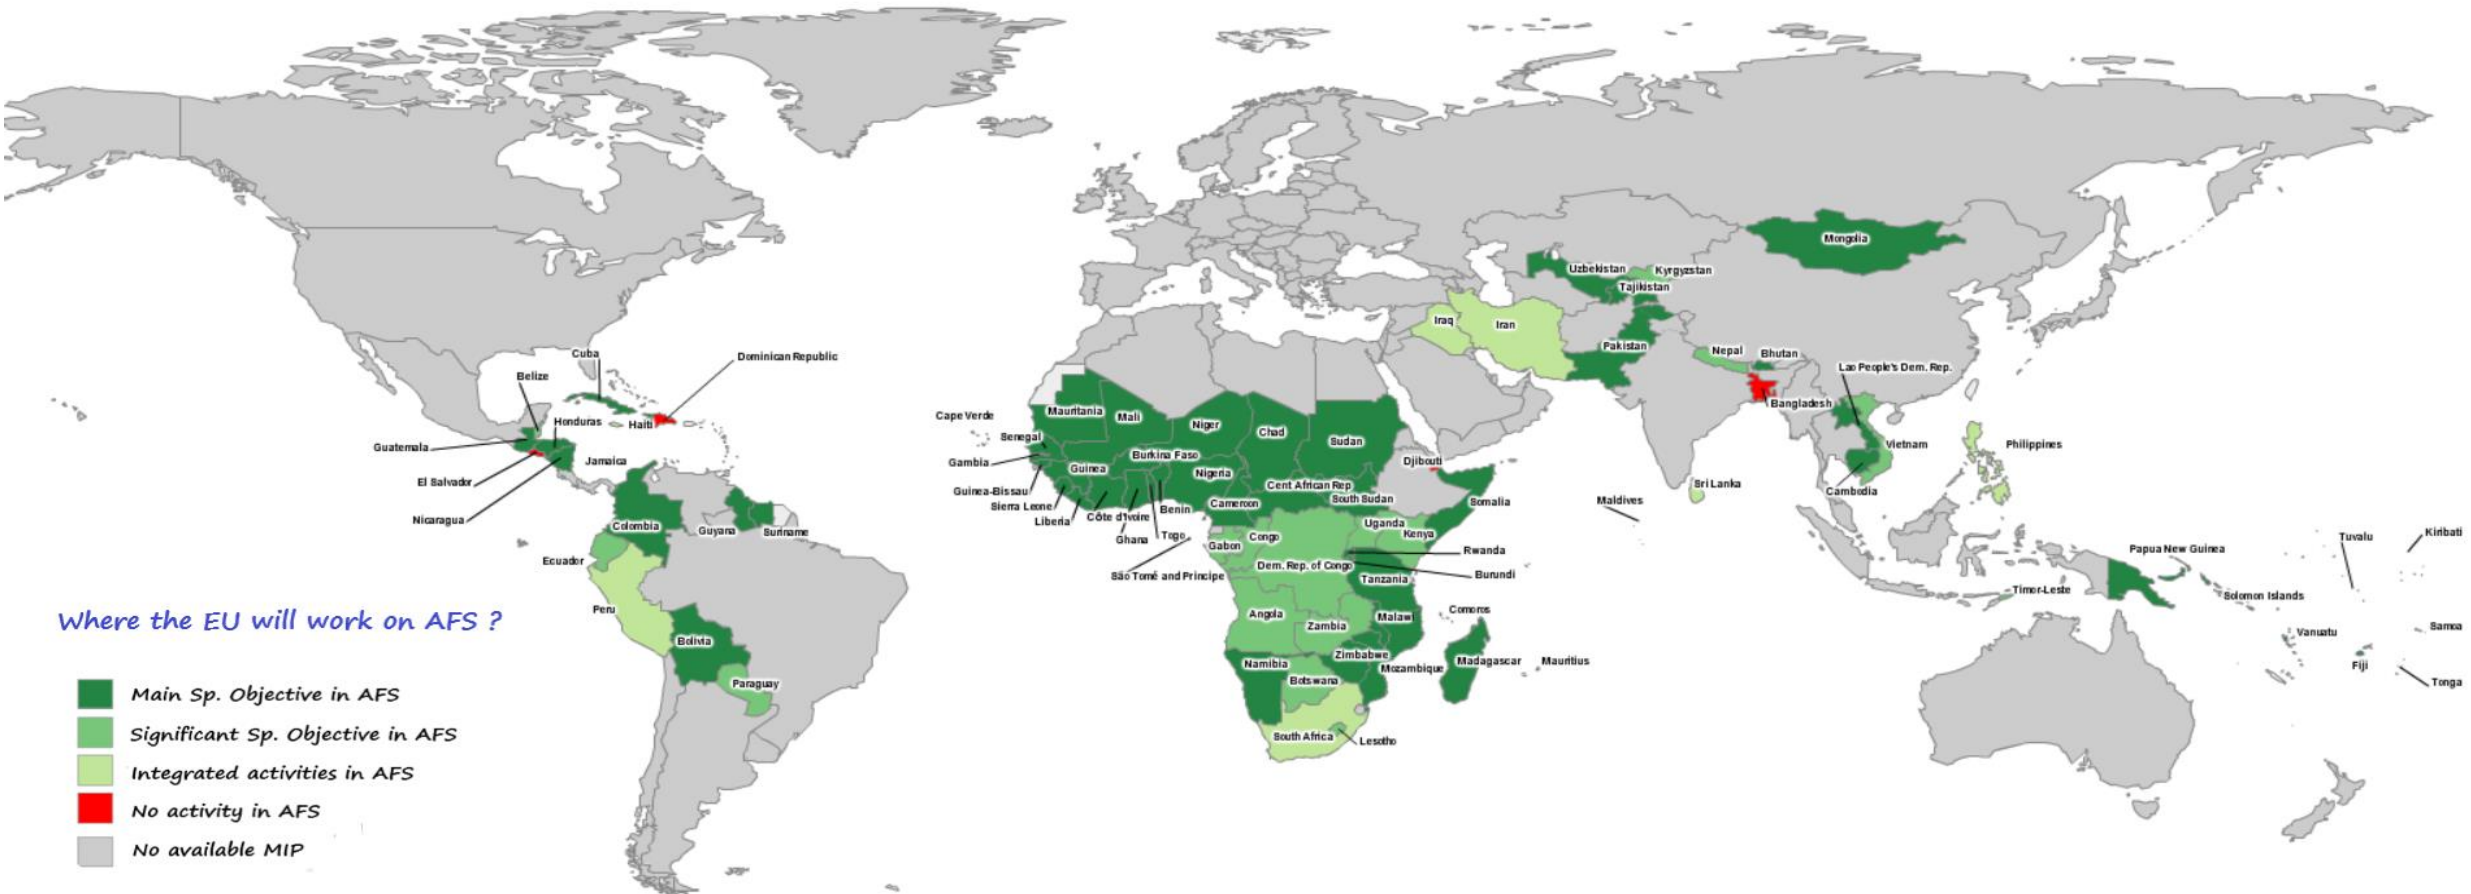

- Food is never waste (SANTE)
- Healthy Diets from Sustainable Food Systems for Children & all (SANTE)
- School Meals Coalition (INTPA)
- Aquatic and Blue foods (MARE)
- Agroecology (AGRI)
- Zero Hunger (INTPA)
- Fighting food crises along the HDP nexus (INTPA, ECHO)
- Sustainable Productivity Growth (AGRI)

National Pathways – EU support (1)

- Food Systems Assessments in 50 partner countries (28 out of 50 in Africa) :
 - in support of programming and policy dialogue for FS sustainability
 - Eleven reports published (incl. Burkina Faso, Madagascar, Senegal, Zambia)
 - Methodological notes
 - See: <https://www.fao.org/support-to-investment/our-work/projects/fsa2021/en/>
 - 2022: further the analysis and dialogue; pilot up to 5 African countries to pursue the partnership around concrete transition roadmaps/pathways

National Pathways – EU support (2)

- Country programming 2021-27 (nearly) completed:
 - In 48 countries at least one specific objective mainly targeting agri-food systems
 - In 19 countries at least one specific objective significantly targeting agri-food systems
 - Some others integrating elements of agri-food systems in other support
- Support also through some global programmes (research & innovation; nutrition; Global Network against food crises)

Where the EU will work on AFS ?

- Main Sp. Objective in AFS
- Significant Sp. Objective in AFS
- Integrated activities in AFS
- No activity in AFS
- No available MIP
