

Information from the Commission on actions to prevent tail biting and prevent routine tail docking of pigs

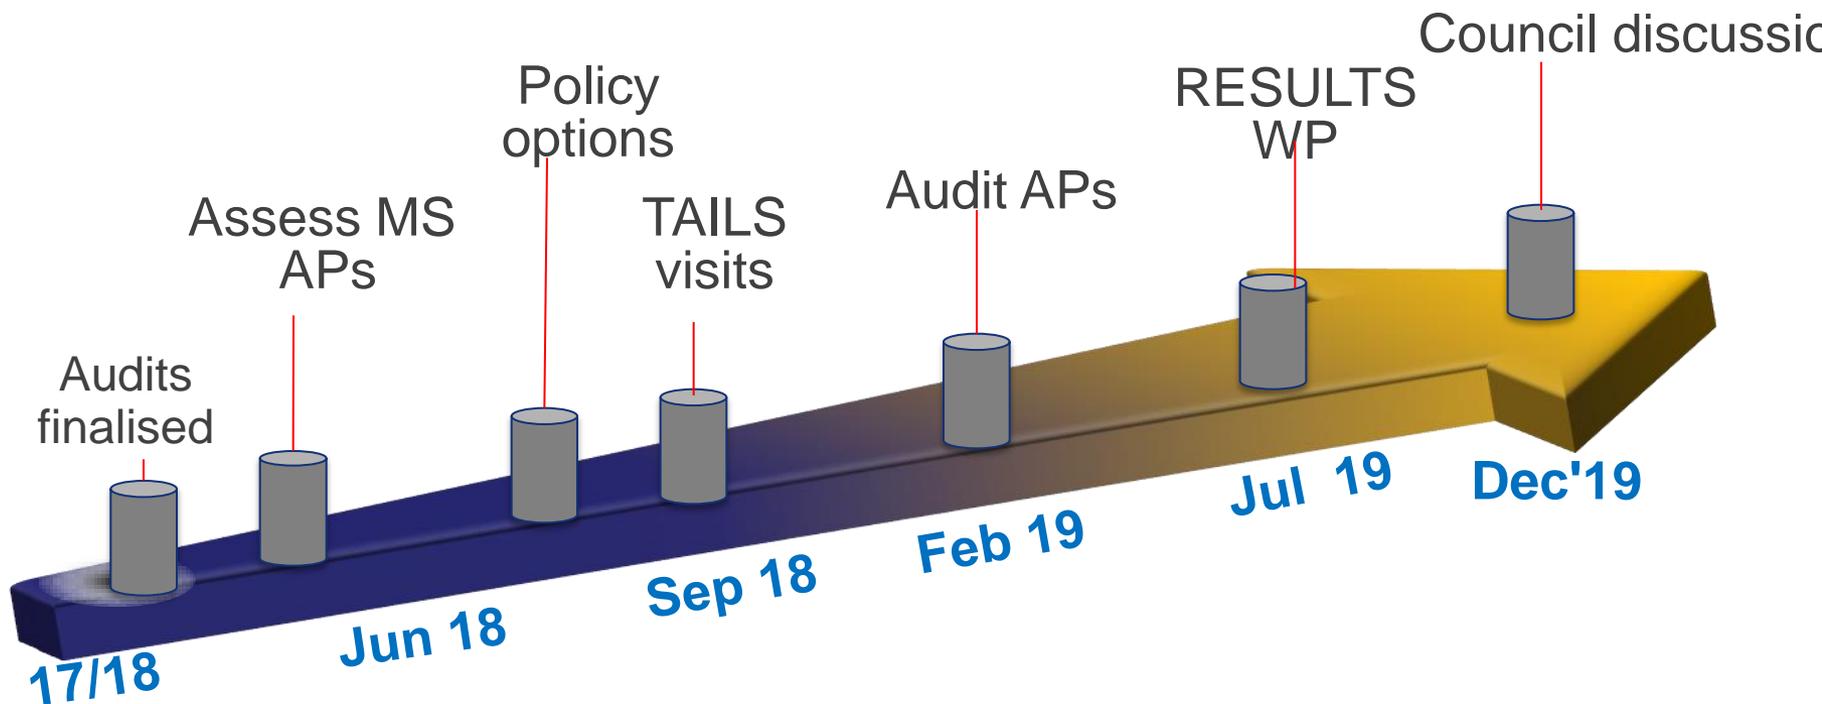

Commission Project to reduce tail-docking of pigs - Objectives

- Reduce animal suffering by improving the application of Council Directives 2008/120/EC & 98/58/EC over a three year period (17-19)
- Specific focus on the avoidance of routine tail docking and the provision of enrichment material

Audit Outcomes

- 5 audits: NL, ES, DK, IT, DE
- % Tail-docking – estimates 98.5-100% i.e. routine
- Measureable compliance criteria inadequate in most
- CA instructions imprecise/not followed in most
- Enforcement action variable
- Research and trials: extensive and expensive to none
- No progress on compliance/reduction in tail-docking
- Response to Audit recommendations integral to MS Action Plan

Member State Action Plans

- Meeting Nov 17, letters of DDG SANTE Nov 17, Dir F Jan 2018
- Request MS Action Plans on 2008/120 & 98/58: Jan 2018:
- Compliance end 2018 with
 - CA Compliance criteria
 - Farmer risk assessment
 - Evidence of tail/ear injuries
 - Assessment and changes to inadequate environmental conditions or management systems
 - Communication/liaison and enforcement

Preliminary Action Plan Assessment

- **24/26 received- 2 delayed. 19/24 assessed**
- **18/19 plans propose improvements**
- **Wide variation in scope of improvements**
- **Wide variation in plan details/deadlines**
 - **Consultation phase-majority before 9/18**
 - **Revision to procedures- majority before 9/18**
 - **Enforcement- majority late 2018/start 2019**

Preliminary Action Plan Assessment

- **Improvements in Compliance criteria**

• Enrichment material	16
• Cleanliness	9
• Thermal comfort/air	4 /10
• Health status/training/sick pigs/weaning age	9/4/4/0
• Comp. for space/ fighting/Feed n water	6/3/6/
• Diet	2

Preliminary Action Plan Assessment

- **Other planned improvements**

- **Assessing the risk factors for tail/ear biting** **13**
- **Evidence of tail/ear injuries** **11**
- **Assess/change inadequate env/man systems** **13**
- **Communication/liaison with industry** **18**
- **Enforcement** **14**
- **Review provision of vet/QA attestations** **6**

Next Steps

- Finalise AP review
- Review MS compliance
- Write to MS:
 - Updates
 - Clarifications
 - Omissions
 - Disseminate Good Practice
- COM Policy options

Next Steps

- **BTSF training on pigs aligned with SANTE Work Plan**
- **Work with AW Ref Centre on animal/resource indicators**
- **Contribute to DG AGRI consultation on revised CAP**
- **TAILS team visits**
- **Continued liaison with pig sector, research, NGOs, EP, FVE etc**
- **Meeting end 2018 to refine/discuss improved APs**
