on the financing of information provision and promotion measures concerning agricultural products implemented in the internal market and in third countries and the adoption of the work programme for 2021
COMMISSION IMPLEMENTING DECISION

of 16.12.2020

on the financing of information provision and promotion measures concerning
agricultural products implemented in the internal market and in third countries and the
adoption of the work programme for 2021

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1144/2014 of the European Parliament and of the
Council of 22 October 2014 on information provision and promotion measures concerning
agricultural products implemented in the internal market and in third countries and repealing
Council Regulation (EC) No 3/2008, and in particular Article 8 thereof,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the
Council of 18 July 2018 on the financial rules applicable to the general budget of the Union,
283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No
966/2012, and in particular Article 110(1) thereof,

Whereas:

(1) Pursuant to Regulation (EU) No 1144/2014, both direct and shared management are
to be used for the implementation of information provision and promotion measures.
(2) Pursuant to Article 15(7) of Regulation (EU) No 1144/2014, the financing of simple
programmes is implemented by the Member States under shared management.
(3) Pursuant to Article 16(2) of Regulation (EU) No 1144/2014, the financing of multi
programmes and measures on the initiative of the Commission is implemented by the
Commission under direct management.
(4) In order to ensure the implementation of the information provision and promotion
measures, it is necessary to adopt the annual work programme which covers simple
programmes, multi programmes and measures implemented on the initiative of the
Commission.
(5) Pursuant to Article 8 of Regulation (EU) No 1144/2014, the annual work programme
shall comply with the general and specific objectives set out in Article 2. The
objective listed under Article 2(2)(a) in particular, which is to increase awareness of
the merits of Union agricultural products and of the high standards applicable to the
production methods in the Union, can contribute to achieve the objectives of the farm
to fork strategy.

For appropriations under direct management it is necessary to adopt a financing decision pursuant to Article 110 of Regulation (EU, EURATOM) 2018/1046, establishing detailed rules on financing decisions.

The envisaged assistance is to comply with the conditions and procedures set out by the restrictive measures adopted pursuant to Article 215 TFEU.

For appropriations under direct management, it is necessary to allow for the payment of interest due for late payment as laid down in Article 116 of Regulation (EU, Euratom) 2018/1046.

For the purpose of the implementation of multi programmes and measures on the initiative of the Commission and in order to allow for flexibility in the implementation of the work programme, it is appropriate to allow changes which should not be considered substantial for the purposes of of Article 110(5) of Regulation (EU, Euratom) 2018/1046.

The work programme has to provide for specific temporary arrangements to react to serious market disturbance or loss of consumer confidence as provided for in Article 8(1) of Regulation (EU) No 1144/2014. It is therefore necessary to make provision for the possibility of an additional call during the year, if required.

The Commission consulted the Civil Dialogue Group on Quality and Promotion and received contributions from stakeholders.

The measures provided for in this Decision are in accordance with the opinion of the Committee for the Common Organisation of the Agricultural Markets,

HAS DECIDED AS FOLLOWS:
